WZ-RECON 2026

JABALPUR, MADHYA PRADESH

Rebuilding Lives Through Reconstruction

Invitation

Dear Colleagues,

We are pleased to invite you to participate in the Workshop on Genitourinary Reconstructive Surgery, under the aegis of USI West Zone, to be held in Jabalpur, Madhya Pradesh.

This academic workshop will focus on contemporary concepts and surgical techniques in Genitourinary Reconstruction, including management of complex urethral strictures, vesicovaginal fistula, ureteric injuries, and other challenging reconstructive urological conditions.

The program will include expert lectures, case discussions, and live/recorded surgical demonstrations aimed at enhancing practical knowledge and surgical skills.

The workshop will provide an excellent opportunity for urologists, residents and trainees to interact with experienced faculty and exchange ideas in the field of reconstructive urology.

We warmly welcome your participation and look forward to your valuable presence.
