West Zone Chapter of Urology Society of India

Editor: Dr. Suhas Salpekar

News Letter: January 2017

West Zone Chapter of Urology Society of India

Dear Friends,

On behalf of West Zone Urological Society. I welcome you to the annual conference of USICON 2017 which incidentally falls as "GOLDEN JUBILEE" year. Which it self is grate feat to move in to new Urological Horizon.

This time West - Zone has tentatively roped few of the activities like conduction MOCK EXAMINATION - 2017 at KEM Hospital Mumbai, will be conducted under the able leader ship of Dr. Sujata Patwardhan HOD. There will be 'Endourology Workshop' at Dr. D.Y. Patil Medical College in the month of April and followed by which Dr. Hemant Baxi of Ahemadabad is conducting a workshop some where in the month of July 2017. And last but not least our Annual conference will be in BHOPAL in September 2017. WZUSI is family and everybody including ladies team is gearing up for 'Over Seas' tour. This time our news letter prepared by Dr. Suhas Salpekar will be on electronic media.

West Zone has a new team elected by our member decisively, will put all their sincere effort for a good out come.

I welcome you all to Mumbai during USICON - 2017 and enjoy the Uro festival, which is organized by dynamic people like Dr. Umesh Oza and Dr. Anil Bradoo.
Thanking you.

Dr. Vijaykumar Raghoji

News Letter: January 2017

West Zone Chapter of Urology Society of India

Dear West zone family members,

Greetings from Dr.Kandarp Parikh.Wish you all Happy new year! Let us all welcome new year with renewed enthusiasm and wish we will progress in every aspects of life ,friendship and fraternity. I am indeed grateful to all of you for re -electing me as the secretary of our prestigious family .I am happy to welcome our newly elected council and assure you that all of us will give big push to continue legacy of previous councils and work towards uplifting the academic standards of our zone. During last two years of my tenure as a secretary ,i have received excellent co operation form every council members and our zonal members and i can not thank them enough for their faith and support. We have worked towards bringing lot many changes for good and tried to give ample opportunity to our young dynamic urologists working in every corner of zone and we will continue doing so ,this will bring out hidden talents in our zone and i will appreciate any suggestions from your side.

This year will start our academic activities with BOE mock exams at KEM ,Mumbai in the month of March. I request all the teachers of academic institutes to encourage their students to participate and contact BOE chairman well in advance.

We have requests from Dr.Vilas Sable ,DR,Rajesh Kukreja and Dr.Hemang Baxi for wezt zone supported Endourology ,pediatric urology and uro onco workshop and you will find details of it very soon by e mail.These programs will be incomplete without your active participation.

We are working on our well awaited overseas trip and details will be shared to you once council decides the date and place. Friends ,we all are eager to meet at much awaited USICON 2017,at Mumbai .These being Golden jubilee of USI, it has special significance. Mumbai urology society and organizing committee lead by Dr.Umesh oza, Dr. Anil Bradoo and other active members has put hard work to make necessary logistic arrangements to make this conference most memorable.

Preperations for our upcoming wzusicon 2017 at Bhopal are also on its way ,I request all of you to write me any suggestions, specific ideas or your interest to actively participate in this meeting.We will be more than happy to have involvement of those who have contribute for academics. I would like to pen down with a promise that council will not let you down for your faith in us and will constantly work for the association with full honesty,commitment and transparency.

Dr.Kandarp Parikh
Secretary usi-wz

News Letter: January 2017

West Zone Chapter of Urology Society of India

Dear Friends,

After an eventful 2016, I take this opportunity to Wish You All a Very Happy, fruitful & fantastic 2017. At the outset I would like to thank the West Zone Council for giving me a chance to be the editor of West Zone Newslette, I would not be able to achieve the mammoth task without the help, guidance & support of members of the council. I would like to specially thank our President Dr. Vijay Raghoji & Secretary Dr. Kandarp Parikh for giving me the opportunity to be the editor of the newsletter.

After a successful annual conference of USI-WZ at Aurangabad we all are now geared up for the USICON 2017 at Mumbai which happens to be the Golden Jubilee year of USI. It is the 50th Annual Conference of USI. We all know that the west zone chapter of USI is the most active zone in entire country, be it an overseas conference & tour or an academic achievements of members of our West Zone at International Conferences & World Forums. Our stalwarts like Dr. M. R. Desai, Dr. Sanjay Kulkarni, & Dr. Rupin Shah have made us all proud of their achievements at the world forum.

Last year we had a well attended and a successful tour of Scandinavia, where we visited Sweden, Norway & Denmark and a fruitful meeting at Copenhagen Denmark with the local Urologists.

I sincerely hope you enjoy this compilation,

Your constructive criticism is most welcome

yours Sincerely,

Dr. Suhas Salpekar

News Letter: January 2017

West Zone Chapter of Urology Society of India

The 26th west zone Urology conference was held from 22 - 24 the September 2016 at Aurangabad. Around 450 delegates attended the conference & approximately 150 trade persons participated in the event. The conference was a huge success. On the first day, 22 ndsept , “Advanced preconference workshop on stones and prostate” was organized. Ten surgeries were performed in this live operative workshop which included latest of technologies on prostate & stone. All modalities of prostate surgeries like – HOLEP 50 and 100 watts, THULIUM laser prostatectomy, Bipolar enucleation, TUEB, TVEB of prostate, Bipolar Chinese technology of enucleation&Monopolar TURP were demonstrated in the workshop. Stone surgeries included – RIRS with high frequency laser, Miniperc and PCNL for staghorn stone using latest shock pulse technology were successfully demonstrated. The workshop was immediately followed by BOE sessions on Nuclear scan and Urodynamics. Both the sessions were attended with great interest by the delegates. Conference was inaugurated by Hon. Minister of medical education & water resources Mr. Girish Mahajan.

The scientific session was well balanced to cover all the clinical topics. For the first time focused program was organized on PCNL & Female urology which was appreciated by all. The key note address was delivered by Col. Lalit Rai recipient of Vir chakra during the kargil war. His talk mesmerized all the delegates & each one in the hall was completely engrossed in the war experiences narrated by him.

Awards – Dr. Shailesh Shah & Dr. Kansagra

Know your guru session for Dr. Mahesh Desai was another highlight of the conference.

Dr. P.M.Darakh, Organizing Chairman, Dr. Devdatt Palnitkar , Organizing President & Dr. Abhay Mahajan, Organizing Secretary took all the efforts to keep the delegates comfortable during the conference.

HIGHLIGHTS OF

WZ USICON 2016 AURANGABAD

News Letter: January 2017

West Zone Chapter of Urology Society of India

The conference begins with a pre-conference live advanced Endourology operative workshop on Urinary stones & prostate disease. Latest surgical modalities would be demonstrated.

Excellent Scientific Program with special emphasis on Clinical topics.

International faculties & best of the national faculties.

Surprise gift after the 'know your guru' session on Saturday

Outstanding lecture by Col. Lalit Rai on his experience during the Kargil war

Hilarious show by Mr. Satyajit Padhye- Ventriloquist & Puppeteer

Hungama Bollywood night by Sa Re Ga Ma Pa Finalist.

News Letter: January 2017

West Zone Chapter of Urology Society of India

Dear Friends,

Welcome to Mumbai.

USICON 2017 is a Golden Jubilee Conference of The Urological Society of India. The Organizing Committee is working hard to make this conference a special one for one and all. We have selected a grand venue in Navi Mumbai with adequate space for scientific deliberations, trade and exhibition. 50 years of Urology has seen a lot of changes in the Science and Art of this specialty, technological inventions, digitalization, and social media, Expectation of our patients has completely changed the way we practice medicine and surgery today. We have also realized these changes and are trying to incorporate these changes in organizing this conference. We want to be eco friendly to make this conference as paperless as possible We are committed to use social media extensively for communication. A vibrant website will be the most important information tool.

We seek help of The USI to bring in changes in the scientific format. It is time for a multi specialty dialogue in healthcare. Our team is brimming with ideas. It will unfold with time. I also request our international friends to participate in a big way to make this conference a huge success and a memorable one.

We strongly feel every member of the society, trade partners and and exhibitors is our co partner for this mega event. We also want to include our patients in this celebration and we have planned free operative camps for the needy patients in different parts of the country with help of USI and local team. We have already successfully completed our first free operative camp at Rajkot where 109 patients underwent surgery over three days. Friends, it is my humble appeal to all of you to rush and register today and be part of the change. Your early registration will boost our enthusiasm to work even harder and contribute even better towards serving you all. We at USICON 2017 believe work hard in silence, let your success be your noise.

Awaiting your arrival,

Dr. Umesh Oza
Chairman - USICON 2017

News Letter: January 2017

West Zone Chapter of Urology Society of India

Dear Friends,

Greetings on behalf of Team USICON 2017!

There comes a time in one's professional life, if one is fortunate, where you want to celebrate the past, present and future of your profession and you get a unique chance to do so as well!! The opportunity is here in the form of the landmark Golden Jubilee year of USICON IN 2017. A milestone event to share the joy with your colleagues, teachers, young talented Urologists and the budding ones. It is an opportune moment in our lives to participate in this mega event and on behalf of the organizing committee, it is my earnest request that each of you register for this prestigious happening. The dedicated USI Council and the highly motivated organizing team from Mumbai are leaving no stone unturned to ensure that each of you will cherish this urology event as one of your most memorable.

On behalf of USICON 2017, I invite each of our strategic partners in trade and the pharmaceutical industry to be an active partner right away. We cannot forget the vital role of Urology institutions in taking our science forward. We sincerely appeal to every Urology Institute to be a golden page in USICON 2017 by sharing their glorious history with the organizing committee so as to enable us to showcase the same at the Urology museum especially designed for the event.

This, modern, technology powered museum will virtually walk you through the portals of urology history with a projection of the future of this science. A special, limited, early bird discount offer is available online on our user friendly website and your registration will help us to achieve our objective of a paper- less annual conference. All of you are encouraged to use the website not only for registrations but also regular interactions leading up to the buildup of this milestone Urology event. USICON 2017, which we promise will be a mother of all urology events, beckons you! Come and soak in all the intellect, fellowship, science and glory of our profession.

Aamchi Mumbai and the Golden Jubilee year await you!!

Dr. Anil Bradoo
Secretary- USICON 2017

18th
Wednesday

Day 1

Registration

0830 – 1230
Plenary Session – I

Hall-A

Subspeciality Meeting: UroOncology

Convener: Dr. Yuvaraja, Mumbai

Expert Comments– Dr. Murali Kamat, Dr. J. N. Kulkarni, Dr. N. P. Gupta, Dr. V. Srinivas

Current Indian Data on Urological Cancers – 5 min– Dr T B Yuvaraja

Session 1 – Abstracts Presentation

Chairpersons: Dr. Suresh Bhat, Dr. Amit Ghosh

Best of abstract/video presentation – 30 min (Three abstracts) (8+2min Each)

Best of Journals – Recent Landmark articles in Uro–Oncology– 2 articles– 20 min (8+2min Each)

1. STAMPEDE and COMPARE trial – Dr. Kumar Prabhash
2. RCT – Open Vs Robotic Prostatectomy – Dr. Gagan Gautam

Session 2 – Bladder Cancer– Clinical Discussion– 60 min

Moderator: Dr. Sudhir Rawal

Optimizing intravesical therapy in NMIBC– 15 min–(13+2) Dr Mark Soloway

Radical Cystectomy– Minimally Invasive approach – Current status 15 min (13+2)– Prof M Wirth

Multi Disciplinary Treatment: Patient with muscle invasive bladder cancer – 30 min

Panelists – Urologist– Dr. Badrinath Konety, Dr. Hemant Tongaokar, Dr. Anup Gupta,
Pathologist – Dr. Santosh Menon, Medical Oncologist – Dr. Ashish Joshi,
Radiation Oncologist– Dr. Umesh Mahantshetty

Session 3 – Symposium

Case Based Discussion– Controversies in the management of RCC– 30 min

Moderator– Dr. Makarand Khochikar

Panelists– Dr. S. K. Raghunath, Dr. Anil Mandhani, Dr. Kalyan Sarkar, Dr. Anup Ramani,
Dr. Meenal Hastak, Dr. Vanita Norhana,

- **Role of PET imaging**
- **Biopsy: Whom and how?**
- **What are the limits of partial nephrectomy? approaches**
- **Role of Lymph node dissection during radical nephrectomy**
- **Cytoreductive nephrectomy in era of targeted therapy**
- **Optimizing targeted therapy in mRCC**

Tea Break– 10 min

18th
Wednesday
Day 1

0830 – 1230
Plenary Session – I contd.

Hall-A

Session 4 – Panel Discussion

Testicular and Penile cancers – 30 min

Moderator: Dr. Ganesh Bakshi

Panelists – Dr. J. N. Kulkarni, Dr. Ginil Kumar, Dr. Bhalachandra Kashyapi,
Dr. Shevanti Limaye, Dr. Vivek Anand

- **Standard management of early stage seminoma and non seminoma**
- **Management of residual masses after chemotherapy**
- **Postchemotherapy RPLND – tricks of the trade**
- **The Single Patient Need– Coping with testis cancer , QOL**

Session 5 – Prostate Cancer– In Depth Discussion– 55 min

Moderator: Dr. T. B. Yuvaraja

Panelists– Prof L. Martínez–Piñero, Dr. Ashok Hemal, Dr. Hemang Bakshi,
Dr. Gagan Prakash, Dr. Arvind Gunpule, Dr. Kumar Prabhash, Dr. Palak, Dr. Anshu Sharma,
Dr. Bijal Kulkarni, Dr. Umesh Mahantshetty

- **Is Gleason score outdated? The new prognostic grading system**
- **Molecular Markers and Genomics**
- **Radical prostatectomy in low/intermediate risk prostate cancer – how to achieve maximum outcomes**
- **LND and Intraoperative detection of sentinel lymph nodes in prostate cancer with ICG**
- **New concept – Surgery for High risk and LAPC and Oligometastasis**
- **Management strategies of met CaP and CRPC in 2017**

Closing Remarks– Dr. T. B. Yuvaraja

18th
Wednesday

Day 1

0830 – 1130

Plenary Session – II

Hall-B

Subspecialty Meeting: Female Urology and Urodynamics

Convener : Dr. Bakhtawar Dastur

Title : Evaluation and Management of Incontinent Female.

Convener: Dr. Mrs. Bakhtawar K. Dastur

Faculty: Dr. Gopal Badlani, Dr. Rakesh Kapoor, Dr. Sanjay Sinha, Dr. Anita Patel,
Dr. Vaishali Nimbkar, Dr. Mrs. Bakhtawar K. Dastur

Moderator: Dr. S. W. Thatte

1. Introduction: Dr. B. K. Dastur – 5 min
2. Office based Assessment including Screening Tools – Dr. Anita Patel – 15 min.
3. Role of Urodynamics in Evaluation of Incontinent Female – Dr. B. K. Dastur – 15 min
4. Imaging Techniques In Incontinent Female – Dr. Vaishali Nimbkar – 10 min
5. Management of Overactive Bladder/ Botulinum Toxin – Dr. Sanjay Sinha – 15 min
6. Surgical Management of Stress Urinary Incontinence, How I Do It – Dr. Rakesh Kapoor – 15 min
7. State Of Art Lecture:
Role of Regenerative Medicine in Female Pelvic Health – Dr. Gopal Badlani – 20 min.
8. Case Based discussions : Dr. Gopal Badlani – 60 min
 - i) Patient still wet after Sling surgery
 - ii) Patient with grade 3 POP: sling or not to sling
 - iii) Patient in Retention after sling surgery.

Concluding Remarks – Dr. B. K. Dastur – 5 min

1130 – 1230

Podium Session: Female Urology and Urodynamics.

Chairpersons: A. Mohan, Dr. Rajesh Taneja

1230 – 1400

Hall A & B

0900 – 0920

JAIPUR ORATION

Topic: “ Photo-immunotherapy for the Treatment of Bladder Cancer”.

Speaker: Dr. Piyush Agarwal, USA

Chairpersons: Dr. Rajeev Sood [President–USI], D. Ramesh [Hon. Secretary–USI]

0925 – 0945

JAYRAMDAS PATEL ORATION

Topic: Robotic Urologic Oncology–Is it all it is cut up to be?

Speaker: Dr. Badrinath Konety

Chairpersons: Dr. Rajeev Sood [President–USI], D. Ramesh [Hon. Secretary–USI]

0950 – 1005

BAUS LECTURE

Topic: Evidence based medicine in Urology– Crisis – What Crisis?

Speaker: Mr. Kieran O. Flynn, UK President BAUS

Chairpersons: Dr. Rajeev Sood [President–USI], D. Ramesh [Hon. Secretary–USI]

1010–1025

USANZ Lecture

Topic: Utility of PSMA PET in the management of Prostate cancer.

Speaker: Dr. Mark Frydenberg President USANZ

Chairpersons: Dr. Rajeev Sood [President–USI], D. Ramesh [Hon. Secretary–USI]

1025 – 1040

UAA Lecture

Topic: Renal cell carcinoma with IVC thrombi: surgical experience and prognosis

Speaker Dr. Man Kay Li, Singapore President UAA

Chairpersons: Dr. Rajeev Sood [President–USI], D. Ramesh [Hon. Secretary–USI]

1040 – 1140

Thematic Session –Tips and Tricks

- Mr. Tony Mundy, UK – Which Urethroplasty for Which Stricture
- Dr. Manoj Monga, USA – Flexible Ureterorenoscopy (FURS)
- Dr. Prokar Das Gupta, UK – Optimizing outcomes in Robot assisted Radical Prostatectomy.

Chairpersons: Dr. Narmada Gupta, Dr. Harcharan Gill, USA

1140 – 1200

Keynote address

Speaker – TBA

Chairpersons –TBA

1200 – 1300

Prof HS Bhat Symposium

Topic: Current Perspectives in the Management of VUR

Convener: Dr. Harshad Punjani, Mumbai

Plenary Session – V

Hall-A

Subspecialty Meeting – Laparoscopy and Robotic Surgery

Convener: Dr. C. Mallikarjuna, Hyderabad

Session 1 – 9 am to 10 am

- Learning exercises / simulation that make laparoscopy easier – Dr. Ramalingam – 8 mins
- 7 Steps to make nephrectomy easier – Dr. Uttam Mete – 8 mins
- Hemostasis in laparoscopy – Dr. A. Gunpule – 8 mins
- RP scopy – How planning is different from transperitoneal approach? – Dr. Jamal Rizvi – 8 mins
- Mastering laparoscopic suturing – Dr. Mallikarjuna C – 8 mins
- Q&A session – 9 mins
- Trouble shooting in laparoscopy and robotics – Dr. A. Gunpule – 10 mins

Session 2 – 10 am to 11 am

- Preventing nephron injury in donor nephrectomy – Dr. Rajesh Ahlawat – 8 mins
- Different ways of fashioning PUJ in pyeloplasty – Dr. P. P. Rao – 8 mins
- Steps to simplify partial nephrectomy – Dr. Mallikarjuna C – 8 mins
- Robotic radical / partial nephrectomy anyway different? – Dr. Rajesh Ahlawat – 6 mins
- Q&A session – 9 mins
- Nightmares in laparoscopy – Dr. Mallikarjuna C – 20 mins

Session 3 – 11 am to 12 pm

- Control of DVC / Nerve preservation in prostatectomy – Dr. Gagan Gautam – 8 mins
- Preserving continence in radical prostatectomy – Dr. Kishore TA – 8 mins
- Ways to manage vesico – vaginal fistulae – Dr. P. Nayak – 8 mins
- Laparoscopy in stone surgery – when? – Dr. George P. Abraham – 8 mins
- Future of laparoscopy and robotic surgery – Dr. Prokar Das Gupta – 10 mins
- Q&A session – 8 mins
- OMG during robotics / laparoscopy – Dr. Gagan Gautam – 10 mins

Session 4 – 12 pm to 1 pm

Invited papers and videos on laparoscopy – 60 mins

Chairpersons: Dr. Shrenik Shah, Dr. Surya Prakash

21st
Saturday

Day 4

0900 – 1300

Plenary Session – VI

Hall-B

Subspecialty Meeting: Renal Transplantation

Convener: Dr. Aneesh Shrivastava, Lucknow

What is new in live related program

- ABO incompatible renal transplant – Current Scenario – Dr. Aneesh Shrivastava – 10 min
- Alternative options to expand the living related donor pool – Dr. Arun Chawla – 07 min
- Robotic renal transplantation – Dr. Anant Kumar – 05 min

Issues in deceased donor transplantation

- How much serum creatinine is acceptable – Dr. S Chipde – 05 min
- Donor with sepsis – Dr. Murugan – 05 min
- Dual organ transplant – Dr. Natrajan – 05min

Panel discussion

DCD: Overseas perspective and feasibility in India. – 15min

Dr. M. K. Li (Singapore), Dr. Ajay Sharma (UK), Dr. Pranjal Modi

Issues in transplant recipients

- High drain output in immediate post operative period – Dr. Ajay Oswal – 07 min
- Ureteric obstruction – Dr. Meyappan – 07 min
- Vascular complications (Intra operative and immediate post-operative)
Can the kidney be salvaged – Dr. PVLN Murthy – 07 min
- Management of transplant recipients with urological cancers:
science or technology – Dr. Mahesh Goel (USA) – 07 min

Difficult vascular access

- Pre-operative evaluation – Role of Doppler – Dr. Heeralal (radiologist) – 07 min
- Fistula fails to mature – Dr. Ajay Sharma UK) – 07 min
- Anatomy of the upper and lower limb vasculature, Basilic vein transposition – Dr. Anup Gupta – 05 min
- Use of grafts in the upper and lower limb – Dr. Ajay Sharma (UK) – 10 min
- Pseudoaneurysm and true aneurysmal dilatation – Dr. Sanjoy Sureka – 07 min
- Other complications of AV access – Dr. Baldev Aulakh – 07 min
- Vascular interventions – Dr. Raghu (Radiologist) – 10 min

Podium Session Renal Transplantation

Chairpersons: Dr. Sunil Shroff, Dr. Prasad Mylarappa

1000 – 1200

SAARC Session

Topic: Men's health perspective in the SAARC Countries

1200 – 1630
